091108 - 161108 Siem Reap, Cambodia (Edit 2011)

This set of photos were taking during a photography trip by Clubsnap Forums called the

Crossing Bridges 5.

This comprises of photographers from Indonesia, Malaysia, Vietnam and Singapore. It was my 9th month into photography when I went for this trip.

This is my 2nd edit to the images since then and because of weaker compositions, I had to do many cropping there and here.

The style of editing have changed as well. Enjoy my shots! I would love to go back someday again! Enjoy the compilation!
